SADAR MANZIL,
BHOPAL, 7th April, 1907

SMB APR 8 1907

My dear Friend,

50
Please refer to correspondence ending with --
your letter NO.1491/44-06 dated 3rd April 1907, regarding the
Sanchi Topes.

Besides a Khansama and a sweeper, one Chouki-
dar also lives in the Dak Bungalow close to the Topes and he
will be available to help the caretaker in watching parties
of visitors.

Moreover the local police will also be direct-
ed to help the caretaker. In reply to your letter of the -
20th February, I have to say that hitherto no corrugated iron
shed has been erected at Sanchi and no such proposal has been
made. The Officer in Charge of the Archeology has recently

visited Sanchi in company with Mr. Cook, the State Engineer,
and has submitted his design of the proposed building to ---
Simla for approval. The work will be taken up in hand after
due consideration of the proposals regarding the building --
when the maps are received.

Yours very sincerely,

Sultan Jahan
RULER of BHOPAL.

Major S.F. Bayley, I.A.,

Political Agent in Bhopal,

Sehore.
