No 3057 dated 7th July 1911.
128-09

As the Secretary concerned has gone on leave I am sorry I couldn't get the former correspondence connected with the subject referred to in your letter of above date. But I have deliberately thought over the suggestions proffered by Mr J.Ph Vogel in his note on the proposed Museum at Sanchi. I appreciate his views and quite agree with his opinion expressed therein.

Two custodians shall henceforth be appointed at the Tope to guard the relics against damage or loss and the Bhopal Darbar shall willingly pay the amount of Rs 350/- specified by Mr Vogel for the clearing of the site etc.,

A sum of Rs 3000/- has already been sanctioned by Her Highness for the proposed Museum which will be erected wherever the ground is chosen suitable for such a building.

Yours Sincerely
Mo Nasrulla Khan
