Minute by the Most Noble the Governor General
of India, dated the 13th May 1850.-
Koh-i-noor. } 1. The Honorable Court of Di-
rectors in their despatch dated 1st August 1849
having directed me to transmit the Jew, called
the Koh-i-noor to England every possible pre-
caution being taken for its safety, "I took im-
mediate measures for carrying their orders into effect,
and I have now the honor to report my proceed-
ings for their information.-

2nd Having been compelled reluctantly by the
state of my health to repair to the sea Coast,
I resolved to take charge myself of the Koh-i-noor
as far as the port of Bombay. Intimation was
made to me demi-officially that one of Her
Majesty's Ships of war would there be placed
at my disposal for its conveyance to England,
and I thereupon selected two Officers in whose
charge it should be placed during the voyage.-

3rd Recommended for this duty Lieut Colonel
McNeson C. B. of the Honorable Company's
Army, and my Military Secretary Captain
Ramsay.
